Grand total	181.82	194.55	318.12	145	839.49

The full amount of Decent Homes funding from DCLG for London is £820m. In 2011, £126.5m was allocated to the Decent Home's Programme for London and managed by the Homes Communities Agency. From 1st April 2012, the programme was transferred to the GLA's Housing and Land Directorate, where the table above shows the GLA allocation of funding from April 2012 to March 2016.
