A Better Police Service for London

(MPS)

Active monitoring & reporting – looking for improvements within:

- Victim Satisfaction with police service (User Satisfaction Survey)
- Bonds between Police and Public (Public Attitude Survey - new 'actionable' composite score)
- Challenge the inequalities in Satisfaction & public perceptions (i.e., BAME present lower perceptions)
- More representative Police workforce (More BAME/ More female recruitment)
- Officers treated with fairness and respect by colleagues

A Better CJS for London

(CJS / MPS)

Active monitoring & reporting – looking for improvements within:

- Reduce *offending behaviours* of targeted cohorts (i.e., offending, frequency, severity)
- Reduction in overall victimisation (total number of victims / rate of victimisation)
- Better engagement for victims (i.e., VCOP compliance)
- Improve victim satisfaction with the service they receive through the courts (**new survey for London**)

MOPAC will continue to routinely monitor ***all recorded crime*** & ensure action

Measuring the things that matter - A deeper look at the High Harms - London priorities

Keeping children and young people safe

Active monitoring & reporting – looking for improvements within:

- Reduce the number of young victims of crime
- Reduce the number of first-time entrants to the criminal justice service
- Reduce the number of knife crimes – by **volume** and numbers of **repeat victimisation**
- Reduce the number of gun crimes (including discharges)
- Encourage more victims of Child Sexual Exploitation to come forward and report

Tackling Violence Against Women and Girls

Active monitoring & reporting – looking for improvements within:

- More domestic abuse victims to come forward / reduction in repeat victimisation
- More victims of sexual violence to report / reduction in repeat victimisation
- Work with the CJS to reduce the rates of attrition in cases of violence against women and girls as they progress through the criminal justice process
- Encourage more victims of harmful practices such as female genital mutilation (FGM), 'honour'- based violence and forced marriage to come forward and report

Standing together against extremism, hatred and intolerance

Active monitoring & reporting – looking for improvements within:

- Encourage more victims of hate crime to come forward and report
- Reduce the level of repeat victimisation
- Reducing the rates of attrition in hate crime as they progress through the criminal justice process
- Improve the level of satisfaction of victims of hate crime with the service they receive from the police and criminal justice service
