Equality of Opportunity and the Integrated Impact Assessment

Panel Note 7.2 published on 12 March 2019 [EX/027] requested that the Mayor:

- Respond to the supplementary written statements from representors published on 27 February 2019 relating to matter 2¹ with particular reference to the case law cited and legal implications, the general points of principle raised about the approach of the equalities impact assessment, and the specific policies referred to; and
- Provide brief separate outlines of the specific implications of the Plan (both positive and negative) for each of the 9 groups with protected characteristics.

The Mayor's response was published on 23 April 2019 [EX/33 – EX/33d].

If anyone wishes to comment on the Mayor's response, in particular the Legal Note (Appendix 2) and the Report of the specific implications of the Plan (both positive and negative) for each of the 9 groups with protected characteristics (Appendix 3), it must be received by the Examination Secretary by **midday on Friday 10 May 2019**.

We will take into account any comments received by that date in our consideration of the examination matters in the context of the public sector equalities duty.
